Re: Textile Design Materials – GCSE Course

As a GCSE Textile Design student your son/daughter will complete 3 major projects over the 2 year course plus an exam project. Over the course students will use one large A3 ring binder sketchbook and 2 A4 sketchbooks. In order that we may spend the bulk of our budget on good quality textile materials for use in lessons I would like to ask that students pay for their books, a one off payment of £4.75.

Each year we are asked by our GCSE students if we can provide materials for their use when completing Textile homework tasks, we are aware that equipment can be expensive in the shops and we try to support them by buying in, and selling at cost price, the key materials that students will find useful on the course. We have put together a Textiles pack for those students who would like to have their own equipment; please complete and return the slip below together with a cheque to the finance office before Friday 11 September to reserve a Textiles pack.

Yours sincerely
